

# Canon City Geology Club

Minutes from March 27th, 2013

## In Attendance:

Jim Meacham-President, Kit Kederich-Vice President, Erika Goodland-Treasurer  
Cindy Smith-Guru with Presentations and the Press and Natalia Gray

## General Business-

- a. Introduction of Guests-We have name tags for all in attendance to wear
- b. Minutes:

Open Positions-Field Trip Coordinator, Secretary, Refreshment Providers (only needed when we have a speaker), Speakers, Show and Tellers, People to help out with the By-Law

Reminders-To pay your dues or to become a member.

Yearly, \$10.00 for single member, \$15.00 for a family

Beginning June, we meet on the **First Thursday** of the month at 6:30pm. Think 6/6/6:30

## Field Trips:

1. Picket Wire, Saturday, September 21st, 8am Time? Price?

Need to see if people would be interested in signing-up

2. Amethyst Mine-Kit will contact, the land owner, Roger Rupp and get his approval to be on his property.

Two Field Trips to the Amethyst Mine

1.) Sunday, May 5th, 9am

2.) Saturday, May 18th, 9am

Limited to 30 people per Amethyst Mine Field Trips. Open to members first and then to friends and guests.

There are a couple of things that I am not clear on and I do not know what our consensus is.

? We also said that members would be able to sign-up for field trips first and if there is room then guests could sign-up as well. Is this correct? Are we all voting on this as a club?

? How many times are guests allowed to come on a field trip before they need to a member? Once? Twice? Are we voting on this at this up-coming meeting?

Does a guest need to pay? If so, what monetary amount? \$5.00? Jim said we need to vote on this as a club.

Secretary Position-is available and it will be voted on. Natalia Gray is a candidate. Are there any other candidates? Names will be given and the club will vote on it.

Waiver Release-Kit is looking at several from other clubs. He will get together with the board and we will decide on and compose a waiver form for field trips.

By-law-The board will gather the necessary information to draft new by-laws. The current by-laws are incomplete and need to be completed.
