

Cañon City Geology Club
General Meeting
October 10th 2022

6:00 PM Business Meeting

- Call to order and welcome - President Steve Stultz
 - Meeting Covid Guidelines * Chairs – wipe down your chairs after the meeting.
Mask – Officially, if you're not vaccinated, wear a mask.
- Recognize New Members and Guests – Judy Floyd and Keith Stultz

- Treasurer's Report –General checking \$4,523.68, New Hope checking \$1,008.75, Club Savings \$2,725.11, Scholarship Fund \$3,078.13. (total savings \$5,802.24) Total Assets \$11,334.67. Total membership 253. A member asked when/what our highest membership was, and Ann advised it was 292 in 2019.

- Presidents Report – Steve let members know that its election time and we have two positions coming open, Programs and Field Trips (to replace Bill and Greg who are ending their terms at the end of the year).
- Scholarship Committee
- Field Trip/Class Committee – Greg advised, the second trip to Four Mile is still set for 10/15. On the first trip a few days ago, several people found some very nice pieces of Cone on Cone Calcite. Also mud-stones, which can be cut and polishes fairly well. 10/19 is a trip to Royal Gorge Ranch where several colors of quartz can be found, plus tourmaline & plate garnet. The 22nd is Indian Springs for trace fossils with a lecture. On the 26th is a double trip – to the crater and the marble quarry near Salida. Greg asked the group what they are interested in for trips over the winter months. There was no interest in wire wrap class, but a few members said museum trips are good and a tumbling/polishing class would be interesting.
- Programs – Bill talked a little about tonight's speaker and said the November program will most likely be a little longer as it will be Bob Carmein talking on the mineralogy of Cripple Creek and Victor (a kind of follow up to this months talk).
- Publicity – Verna
- Trivia – Phil
- Silent Auction - Highlights
- Announcements
 - Auctions items every meeting, make bids prior to program, auction ends right before program begins. Please pay and pick up item(s) before the end of the meeting.
 - CCGC T-Shirts, Patches and Decals available at the back table. Also available; Name tags/Lanyards

- Next Meeting – December 12th 2022 – Holiday party. Please see list for what food to bring based on the first letter of your last name. Also bring a wrapped gift.
- Sign up to bring snacks
- Adjournment – Coffee & Snack break

7:00 PM Program: Brian Blake and Dale Hernandez - Project Geologist - Exploration, Newmont Mining Cripple Creek and Victor. The subject of their presentation is Cripple

Creek Victor geologic setting, processes of formation, district geology, structural controls, and a little mining history past and present.
