

# CANON CITY GEOLOGY CLUB

## MEMBERSHIP MEETING

December 9, 2019

United Methodist Fellowship Hall Canon City, CO

The meeting was called to order by Curtis Eulert

There were 62 people attending the Holiday potluck.

Minutes of previous meeting: minutes of our membership meetings are posted on our website.

Gerri Haas, Johnny Macias, Greg Sharp, Dan Inmon, all received the Certified Rockhound Certificate for taking classes and meeting the volunteer hours requirement. Kit Kederich, Jim Meacham, Phil Pugin, and Jack Woolsey received Certified Rockhound Certificates for Equivalent Knowledge and the volunteer hours requirement.

Jack Woolsey was chosen as the Rock Hound of the Year for CCGC. Jack runs our monthly silent auction which benefits our scholarship fund. In addition to maintaining our inventory of auction items, he also donates many of his own gems, minerals and pieces of Jewelry. His donations this year alone have brought in over \$700 for our scholarship fund. Jack also teaches our very popular wire wrapping classes.

President Curtis Eulert presented the Lifetime Achievement Award to Jim Meacham. Along with the award comes a lifetime membership in the club. Jim has been involved with the club since he was a young man. He is extremely knowledgeable on the geology of the Fremont County area. He helps direct field trips and classes, and he is a valued member of the board of directors.

The party was enjoyed by everyone!

Respectfully submitted,

Beverly McInis, Secretary
