GEOLOGY CLUB FOR KIDS 2017-2018

Geology club for kids is starting its third year at Harrison school. This year, we'll do more fun activities relating to rocks, minerals, and fossils. Sometimes, we hunt for fossils on the school grounds. We meet from 3-4 PM in Mr. Pugin's science room in the seventh grade pod. The schedule for the first four meetings is this:

September 13 (Wednesday) 3-4 PM

October 11 (Wednesday) 3-4 PM

November 15 (Wednesday) 3-4 PM

December 13 (Wednesday) 3-4 PM

To sign up, please complete the form below, and come to the first meeting on Wednesday, Sept. 13.
